

Edibles

What is an edible?

- Edibles are marijuana infused foods and drinks.

The Numbers:

- For most, it takes 1- 2 hours to feel the effects of the marijuana.
- The high typically lasts for hours.
- The THC concentration varies greatly, even within the same batch of edibles.
- Very easy to over consume because of the masking flavor of sugar.

What do they look like?

- Brownies
- Cookies
- Candies
- Beverages
- Chocolates
- Baked Goods
- Gummy Bears

Note:

- Children and pets are at high risk for eating these by mistake.
- Because it takes so long to feel the effects, people may take more and more until the high kicks in, so it is very easy to take way too much
- Edibles are sometimes labeled with their ingredients, but not always clearly.
- The high from edibles is different from other forms of marijuana because it can have hallucinogenic and other effects throughout the body.
